Testimonial for A.M SPORTS Coaching

The Parish Council have used AM Sports (owner Adam Metcalf) to provide the village play scheme for the past 9 years. The scheme runs for 2-4 weeks each summer and provides sports and craft activities for an average of 50 children each day.

These schemes have been very successful with over 150 different children attending the scheme each year.

Whilst we were not able to run the scheme in 2020 due to Coronavirus, the Parish Council has appointed A.M Sports to organise the play scheme for summer 2021 (subject to Coronavirus restrictions) .

Adam and his staff are reliable, trustworthy and hard working. The children and parents find them approachable and friendly.

I would recommend Adam and AM Sports Coaching to any organisation requiring such services.
