A.M Sports

Starting with a pilot scheme in the Easter break 4 years ago, the Parish Council now relies on A.M. Sports to deliver both an Easter and summer play scheme for the children in our village. Feedback from the children and parents has been consistently fantastic. The activities provided offer a wide range of sports and craft so there is something for every child to keep active and have fun. The scheme provides a safe environment for the children; and parents and carers are happy to leave their children each day.

From our point of view, we have found Adam and his team to be professional and thorough. They have managed all aspects of the booking and management of the schemes, including liaising with venues to ensure all risk assessments are carried out; and providing the Parish Council with copies of these along with insurance and DBS checks for the staff involved in the schemes. Adam's team has managed the day to day running of the scheme on behalf of the Parish Council and provided evaluation promptly at the end of each scheme to inform the Council of the effectiveness of the scheme.

We hope to continue to work with Adam and A.M. Sports well into the future.
